Delinea

Delinea

Shape Your Happiness

Delinea is the new cutting-edge device specially designed for every Center of Excellence of all the professional dealing with Well-being and beauty of people.

The current Aesthetic Market trend is focused on **Body Shaping solutions** able to completely remodel the localized fat deposits. The absolute innovation present in this device is the synergic action of the **infrared technology** with the **EMS stimulation**.

Delinea will represent a real turning point for the entire Aesthetic Market leading your center to an unrelenting success.

General Overview

- Non-invasive body shaping
- Handpiece integrated skin cooling
- Powerful infrared technology combined with EMS stimulation
- Tailorable treatments according to any patient needs
- No consumable-related costs

Operator-Free System

Patient controlled
interactive button

Handpieces

4 unrelated handpieces with infrared and EMS technology

Integrated Sapphire windows for effective contact cooling system

Comfortable elastic bands to gently place the handpieces to the patient treatment area

Total patient's freedom to control the device settings according to personal sensation and grade of confidence without affecting the overall treatment efficacy

IIDM - INTENSE INFRARED DIODE MATRIX

Contact high-power infrared technology to irradiate the adipose and connective tissue leading the adipocytes to their natural denaturation temperature

How does it work?

Handpiece integrated cooling system through an extremely efficient sapphire windows

EMS STIMULATION

Electro Muscle Stimulation with low intensity microcurrents to increase the permeability of the adipocyte membrane and the cellular metabolism

INFRARED + EMS STIMULATION

Powerful infrared sources mixed with EMS Stimulation for the maximum electro-thermal efficacy on even the most obstinate fat

Let yourself warm up
with a pleasant journey of freedom

Application Points

- Front: abdomen, arms, internal legs
- Side: arms, trochanter
- Back: flanks, trochanter, buttocks, arms

Treatment Highlights
